

## Newsletter May 2010

### Send your SMS from Outlook or Excel

Following requests from customers, 2sms has updated its Microsoft Excel and Microsoft Outlook software add-ins.

The new version is now compatible with the most recent operating systems including Vista and Windows 7.

The new version is available to download on the 2sms website under [Software Add-Ins](#).

### Special offer free 2way for 2 months

Trial our 2way service that allows the recipient to reply to your text messages. The replies can be viewed via our website, forwarded to your email account or into your data systems using XML. The first 10 customers to call and mention '2way offer' will be set up with the service free for 2 months. Call us now on 0800 65 222 77. (Offer available to UK customers only)

### Save Yourself Time!

Did you know that 2sms offer an auto charging system which will credit your account whenever your message balance gets low? This functionality will ensure that not only your main account but also your sub accounts never run out of credits.

It will save you precious time and energy as you will no longer have to top them up yourself.

Call our free support line on 0800 65 222 77 (UK) or 877 2767266 (US) to set up an auto charge on your account now.
