2sms add new 2way destinations

2sms add Germany, Finland and the Republic of Ireland to our list of supported long numbers for 2way SMS services. With such a wide selection of 2way numbers we cover more 2way destinations than anybody else.

To learn more about our 2way or to test the service please contact support@2sms.com.

Did you know that...

With 2sms batch resend you can send SMS to the same group of people with an update. Simply go to www.2sms.com, log in using your account details and follow these steps:

1. Select Batch Resend button
2. Select Message Batch
3. Select resend a message to this batch
4. Recompose the message and select Send Message

Please note that the message will be sent to the same list of recipients as the selected batch.

Status	Reference	Message
Success	12/08/2010 15:09:51	UNICODE

Unicode SMS delivery reports

2sms have implemented reporting on Unicode messaging. Now you can not only send messages using non-Latin characters but also check delivery reports on messages sent.

To set up Unicode messaging email support@2sms.com or call your Account Manager on 0800 65 222 77 (UK) or 877 276 7266 (US).
