

## Newsletter November 2010

### Sending Messages to the USA?

2sms is here to help. If you would like to send text messages to your customers, partners or colleagues in the USA but you are worried about the quality of delivery, the international rates and networking guidelines then speak to 2sms. We not only cover multiple US networks but also have experience applying unique network rules ensuring your messages will get delivered in a timely and secure manner. All this at a flat rate of 1 SMS credit for 1 SMS sent. For more details contact [support@2sms.com](mailto:support@2sms.com) or call 01234 757 800 now.

### Did you know that...

Did you know that you can give your subaccounts access to your address book? Simply go to [www.2sms.com](http://www.2sms.com) and log in using your account details and follow these steps:

1. Select Sub Accounts button
2. Click on the button allowing you to give sub accounts access to address book
3. Select All or Select specific account which you want to give access
4. Click 'Enable Access'

### Stay secure with 2sms.

2sms is pleased to announce that it has renewed its Extended Validation SSL certification, using Verisign as the certificate authority.

An Extended Validation SSL Certificate helps our customers to complete secure transactions with confidence, knowing that their information is encrypted.

The 'green bar' in proves that you are interacting with 2sms.com online, with confidence.
