Click [here](#) to get your 2sms iPhone app today.

This application allows 2sms customers to send SMS messages from the iPhone or iPad using their 2sms account*.

With the app you can:

- Send messages,
- View reports
- Get support
- Send messages using your iPhone contacts,
- Send to one or many message recipients using the 2sms SMS service.

Log in using your account username and password to send your first message through the iPhone today.

For more information please call us on 0800 65 222 77 or email us at support@2sms.com

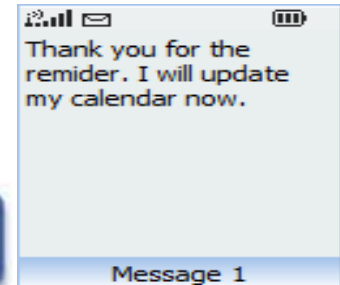

Your data is safe with us

We are pleased to announce that 2sms have passed the ISMS audit.

This confirms continuous 2sms ISO27001 Information Security certification since 2007.

We realise that safety is important to our clients and we have worked hard to maintain our security levels so that customers can remain reassured at all times.
