

Schools Alerts

Schools Alerts

Did you have to close your school because of the recent snow? How do you inform parents quickly? Did you have to call them?

How would you like to inform parents in seconds? Simply send a text message from your computer to all the parent's mobile phones, all at the same time.

A text message to 1,000 parents costs less than £100. We can get you up and running in 20 minutes.

Case Study

Northwood Schools, West London, use 2sms to send text messages to parents to alert them to changes in the school diary. Cancelled sports events, school closure caused by bad weather and teacher notifications, can all be sent using text messages. **Cheaper than sending a letter or making a phone call, and faster too.**
